### SENATE COMMITTEE ON NATURAL RESOURCES, OCEAN & RECREATION

**Majority Report:** That Substitute Senate Bill No. 6260 be substituted therefor, and the substitute bill do pass.

Signed by Senators Jacobsen, Chair; Hatfield, Vice Chair; Morton, Ranking Minority Member; Fraser, Hargrove, Rockefeller, Spanel, Stevens and Swecker.

**Staff:** Karen Epps (786-7424)

**Background:** The Department of Fish and Wildlife (DFW) is charged with the management of the state's wildlife resources, including classifying wildlife, regulating the taking of wildlife, regulating the equipment and methods used to take wildlife, and establishing game reserves and areas closed to hunting. DFW issues a license to a person who wishes to hunt or take wild animals, wild birds, or fish.

**Summary of Substitute Bill :** DFW may provide licenses, tags, permits, stamps, and fees without a charge or a transaction fee to provide a hunting or fishing opportunity to a terminally ill person. As an example, a donor could donate a raffle permit, an incentive permit, or an opportunity to hunt during a special hunting season back to DFW so that a terminally ill person could use that opportunity.

DFW may accept special permits or other special hunting opportunities from donors who want to provide a hunting opportunity for a terminally ill person. DFW may also enter into agreements with a landowner to provide a hunting opportunity for a terminally ill person. DFW may promulgate rules as necessary to implement this section.

**Appropriation:** None.

**Fiscal Note:** Requested on January 14, 2008.

**Committee/Commission/Task Force Created:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony on Original Bill:** PRO: This bill will allow a terminally or seriously ill child an opportunity that he or she would not normally get to enjoy. This would provide support to nonprofits, like the Safari Wish Program, in waiving the costs of fees for a terminally or seriously ill child to hunt or fish. British Columbia currently waives fees for a terminally or seriously ill child to hunt or fish. Other states have some sort of program providing hunting or fishing opportunities for terminally or seriously ill children.

**Persons Testifying:** PRO: Senator Derek Kilmer, prime sponsor; Thom Halligan, Safari Club International; Steve Pozzaghera, Department of Fish and Wildlife.
